Gary,

Take a look and let me know if this is good to print.

Sean G.

Jason,

Can you add the attached utility mark out information to the Figure 5-1 Proposed Excavation Map and rename it Figure 5-4 Proposed Excavation and Utility Location Map. There is metadata in the .kmz but note:

- Blue = water
- Green = sewer
- Orange = communications (shown as light blue on kmz)
- Pink = unknown

It would also be good if you could mark the gas valves and water valves.

I'll need this in 24x36 .pdf format.

Let me know if you have any questions.

Sean Gavlas
